

FAITH FREEDOM FELLOWSHIP

is a Family Church

When the Lord spoke to Buddy and Pat Harrison about founding a church, He said the church should be three things: A Family Church, A Charismatic Bible Teaching Center, and A World Outreach Center.

Faith Freedom Fellowship is a place for God's family to meet together in worship, prayer and fellowship. It is also a place where individual families are nurtured and built up in the things of God. Our church shows four major characteristics: **FAITH, JOY, FELLOWSHIP AND WORSHIP** as seen in **Acts 2:46-47**.

(amp) And day after day they regularly assembled in the temple with united purpose, and in their homes they broke bread including the Lord's Supper. They partook of their food with gladness and simplicity and generous hearts. Constantly praising God and being in favor and goodwill with all the people; and the Lord kept adding to their number daily those who were being saved from spiritual death.

Through faith we come to God. In His presence we enjoy divine fellowship with Him and with each other in fullness of joy. The spirit of the family church is one of celebration for God and His miracles performed in our lives.

The first mission of the local church is to minister to God. As we minister to Him, He in turn ministers to the church and its members individually. We worship the Lord in several ways: Through praise and worship, through preaching and teaching, prayer, giving of tithes and offerings, ordinances: the Lord's supper, water baptism, anointing with oil, and laying on of hands and gifts of the Holy Spirit.
